— Create Your Own World

Senthilkumar

I am Senthilkumar, a Singapore citizen with over 25 years of experience in various industries. With educational background in BE, Mechanical Engineering from NIT Tiruchirappalli, followed by an MSc in ISE from the National University of Singapore, and an MBA from Northumbria University Singapore, I've contributed as an Aerospace Engineer at Messier Dowty Singapore, and presently, I specialize as a Spatial AI (XR AI) expert consultant.

About Us

E16 AI XR Technology Pvt Ltd passionate in immersive solutions for Education and Enterprise, blending Extended Reality (XR) and Artificial Intelligence (AI) to enrich experiences.

With a focus on excellence, innovation, client satisfaction, integrity and collaboration, we're your trusted partner for unlocking XR and AI's full potential. Collaborating with industry leaders, our passionate team delivers tailored solutions across three key verticals: certification courses, customized projects, and XR AI software/hardware sales. Join us at the forefront of XR AI innovation, where boundaries are pushed, and the future is experienced today.
