

MY Short Profile

Dr. V. Masilamani is currently working as Professor in Computer Science and Engineering, and Dean, Students Affairs at Indian Institute of Information Technology, Design and Manufacturing (IIITDM), Kancheepuram. He has received M.Tech. in Computer Science and Data Processing from IIT Kharagpur in 2003, and Ph.D. in Computer Science and Engineering from IIT Madras in 2009. He has about 20 years of experience in teaching and 15 years of research experience. He is teaching Digital Image Processing, Computer Vision, Machine Learning and Computer Graphics, apart from core Computer Science subjects. His research area includes Image Processing, Computer Vision and Machine Learning. He has published about 75 peer reviewed research papers in reputed journals and conferences. He has executed several funded and consultancy projects. One of the important projects that he has executed is the design and implementation of software tool (similar to anti-virus software) to monitor and remove forged/obscene image/video automatically from the system where the tool is installed. He is in-charge of Computer Vision and Machine Learning Research Lab at IIITDM Kancheepuram. He is a member of IEEE and ACM. He is serving as Board of Study member in various institutes and Universities. He is a senate member of IIITDM Kancheepuram.
