### SPECIAL DAY-NATIONAL NUT DAY CELEBRATION

October 22, 2024 

On October 22, 2024, Mahalakshmi Tech Campus celebrated National Nut Day with enthusiasm. The event was led by Uma Sakthisri, a first-year student, who shared insights on the health benefits of nuts and their role in a balanced diet. She highlighted how nuts can improve brain function, heart health, and provide essential nutrients. The celebration encouraged students to make healthier food choices, promoting overall well-being in our daily lives.

A photograph showing a woman in a yellow and green sari giving a presentation. She is gesturing with her right hand towards a whiteboard. On the whiteboard, there is a slide titled "The History of National Nut Day" with a small image of various nuts at the bottom. The whiteboard is mounted on a wall with a yellow and white decorative border. The background shows a window with a view of the outdoors.

#### The History of National Nut Day

National Nut Day was established to promote the **nut industry** and raise awareness about the health benefits of nuts. It encourages people to incorporate more **nuts** into their diets, celebrating their **nutritional value** and versatility in cooking.
