### THE EUREKA IMPACT

## Introduction

The **EUREKA! Pitching Competition 2026** was successfully organized by **Team Linuxers, Mahalakshmi Tech Campus**, in association with **E-Cell, IIT Bombay**, as part of the **National Entrepreneurship Challenge 2026**.

At the outset, we express our sincere respect and heartfelt gratitude to our **Chairman, Mr. Ravi**, for his constant support, encouragement, and guidance towards the growth and development of students and institutional initiatives. His encouragement continues to inspire students to actively participate in activities that promote innovation, leadership, and entrepreneurship.

We also extend our sincere gratitude to our **Principal, Dr. Prof. Ushaa Eswaran**, for her continuous support and encouragement in promoting innovation, entrepreneurship, and student-led initiatives. Her valuable presence and contribution as a member of the jury panel further added significance to the event and provided encouragement and valuable insights to the participants.

The event was conducted with the objective of fostering innovation, entrepreneurial thinking, problem-solving abilities, and startup culture among students. It provided a platform for young innovators to present their ideas, receive constructive feedback from experienced professionals, and explore the practical potential of their proposed solutions.

## Objective of the Event

The primary objectives of the **EUREKA! Pitching Competition 2026** were to:

- Encourage students to explore innovation and entrepreneurship.
- Provide a platform for students to present their startup ideas and solutions.
- Promote creative problem-solving and entrepreneurial thinking.
- Enable participants to receive valuable feedback from experienced jury members.
- Create awareness about the startup ecosystem and entrepreneurial opportunities.
- Encourage students to develop ideas that address real-world problems.
- Promote interaction and collaboration among participants from different institutions.

## Inaugural Session

The event commenced with a warm welcome to the dignitaries, esteemed jury members, faculty members, participants, and the organizing team.

The programme formally began with **Tamil Thai Vaazhthu**, marking the commencement of the event. The participants and guests were welcomed, and the purpose and structure of the **EUREKA! Pitching Competition 2026** were introduced.

The event created an engaging platform for aspiring innovators and entrepreneurs to showcase their ideas and gain exposure to the practical aspects of entrepreneurship.

## **Esteemed Panel of Visionary Judges**

- Mr. R. Guhan Ravi – Vice Chairman, Mahalakshmi Group of Institutions
- Dr. Srinivas Gumparthi – Senior Professor, BITS Pilani, Bombay
- Mrs. R. Rathika – Proprietor, RR ESD Pack Technology
- Mr. M. C. Karunakaran – AHC Chiropractic Clinic
- Mr. C. Manikanda Poopathy – Sr. Director, Sikich
- The judges were felicitated with utmost respect as a token of appreciation for lending their invaluable expertise to the challenge.
- Following the felicitation, Ms. Nirmala laid down the strategic guidelines, briefing the room on the rigorous presentation parameters, the strict five-minute pitch limit, and the comprehensive evaluation mechanism.

## **The Battle of Minds: High-Impact Team Presentations**

- Spanning high-tech domains, ambitious teams took centre stage to pitch ground-breaking solutions under intense scrutiny.
- Team Metova (featuring Afra A) and Unstop Titans (featuring Adhithyavasan R) drove excellence within the Healthcare Track.
- Yennam Media (featuring Harshini P N) led innovative developments within the Business Track.

## **Unique Project Showcases and Track Breakthroughs**

- Unstop Titans: Pitched Medi Twin AI under the Smart Hospitals theme.
- Team Titans: Presented AI-Based Medical Emergency Drones for real-time emergency deliveries.
- Chroma: Showcased “A Colour That Tells You Which Diabetes You Have” using a single drop of blood.
- Spartans: Introduced the Driver Drowsiness Detection System focused on driver safety.
- Unicorn: Presented Care Connect to connect families with trusted healthcare.
- Yennam Media: Delivered “Execution at the Speed of Thought” addressing markets, agencies, and technology.
- Metova: Unveiled PCOS Guidance for Women as a personalised wellness platform.
- Nexa: Pitched the Smart College Bus focusing on student transportation safety.
- Nova Minds: Brought forward CropSync for AI-powered agriculture.
- Kaiva & Hummingbird: Presented cutting-edge Industrial Tech and Biomimetic technology (Artificial Humming Bird), respectively.

## **Rigorous Evaluation and Real-Time Mentorship**

- Every team pitched its concept within the allotted five-minute duration.

- The judges provided razor-sharp remarks, constructive suggestions, and real-time mentorship after every single presentation.
- Expert feedback helped participants refine their ideas and understand how their concepts could be developed into practical, impactful solutions.

### Structured Networking and Refreshment Break

- A short, meticulously managed break was hosted for participants following the initial presentations.
- Refreshments and snacks were provided to attendees during the pause.
- The break was conducted in batches to ensure smooth coordination and uninterrupted proceedings.

### Grand Finale and Victory Proclamations

- The pinnacle of the event arrived with the much-awaited Winner Announcement ceremony based on overall evaluation and performance.
- Participants were widely appreciated for their creativity, confidence, innovative thinking, and enthusiasm throughout the challenge.
- The event reached its poetic closure with heartfelt gratitude extended to the visionary judges and the tireless organising committee.
- The programme finally culminated with the resounding notes of the National Anthem to mark the historic success of EUREKA 2026.
